

Montrose Soccer Club

Registration Instructions

To participate in the Montrose Soccer Club, each player must attend spring tryouts. These generally held in late May (visit this site for more information.)

Each player must bring the following items to spring tryouts:

- Completed registration form
- A state issued birth certificate (first time players only)
- Club fees
- Medical release form and insurance information

Additionally, each player needs to have appropriately sized shin guards, cleats, and water at the tryouts.

Coaches evaluate each player according to a list of skills and then place the player on an appropriate team. Players are contacted within a month of the tryouts of their placements.
